PROFILE

Dynamic Full Stack Developer with a proven track record at Brototype, adept at optimizing web applications for performance and security. Skilled in UI/UX design and project management, I excel in fast-paced environments, delivering high-quality solutions that enhance user experience and drive client satisfaction. Adaptable and detail-oriented, I thrive under pressure.

WORK EXPERIENCE

MCodev

2025 - PRESENT

Freelancer (Remote)

- Developed e-commerce platforms for clients, enabling them to expand their market reach and increase sales.
- Enhanced client satisfaction by delivering high-quality work within deadlines.
- Utilized advanced software tools to produce visually appealing designs for client projects.
- Maintained database systems to track and analyze operational data.

Brototype

2024 - 2025

FullStack Developer (Inter)

- Worked with senior developers and designers to implement [Software] using HTML, CSS, JavaScript, Node.js, MongoDB, Typescript, Angular, React, Next.js and PostgreSQL.
- Optimized website performance through efficient code refactoring and implementing best practices in coding standards.
- Adapted quickly to new technologies as needed while staying current on industry best practices.
- Developed scalable applications using modern programming languages, frameworks, and libraries.
- Developed user-friendly web forms with validation and error handling.

EDUCATION

Higher Secondary

2018 - 2020

PMSAMAHSS
